► SESSIONS: INFORMATION YOU CAN USE NOW & IN THE FUTURE

The Summit's agenda is organized into five key themes:

1. Innovative Ideas
2. Emerging Best Practices
3. Advancing Care Delivery Models Across Diverse Communities
4. A Deep Dive into Adaptive Reuse, Renovations & Flexible Facilities
5. Leveraging Technology

We are currently assembling a roster of speakers to share the latest on planning, real estate, design, construction, and operations of healthcare and life science facilities. Discover the emerging trends, strategies, and technologies reshaping the industry. Network with your industry peers. Earn CEU credits. Gain valuable insights you can put to work the next day.

► INNOVATIVE IDEAS

How Facilities Sustain a Great Health System's Mission

A well-functioning healthcare system needs facilities that meet the needs and expectations of the population served in a balanced way. Staying on track requires a keen sense of direction, a strong strategic plan, and coherent facilities plan that makes the most of available resources. Explore how to provide, maintain, and fund the kind of facilities that produce results amidst a multiplicity of competing programs, projects, and institutions.

- Brent Rutherford, CEM, CHFM, CBCP, Facilities Director, Texas Health Flower Mound
- Mark Stewart, Senior Program Manager, Parkland Health & Hospital System
- Sam Werschky, Assistant VP, Planning, Design & Construction, Cook Children's Health Care System
- Moderator: Michael Grabowski, Project Executive, McCarthy Building Companies

Using Cleanroom Technology to Improve Critical Environments in Healthcare

The high-tech industry is relentless in finding ways to improve quality while doing it faster and often for less. Learn how cleanroom methodologies can enhance the design, construction, performance, and maintenance of operating rooms, procedure rooms, exam rooms, and pharmacies.

- Andrew Hall, VP Sales and Marketing, SLD Technology

▶ EMERGING BEST PRACTICES

What's in the Cards for Healthcare Real Estate: 2024 & Beyond

Explore which factors are now driving future healthcare real estate decision.
